ATHIRA MOHAN

DATA ANALYST

E-mail : athiramohan.da@gmail.com |Phone : +91 7025997191|Location : Kannur, Kerala |LinkedIn | GitHub

PROFESSIONAL SUMMARY

Data Analyst with hands-on experience in SQL, Power BI, Excel, and Python through data analytics training, internship, and projects. Skilled in data cleaning, data transformation, exploratory data analysis, dashboard development, DAX, Power Query, and data visualization. Former Computer Science Teacher with 4 years of professional experience, bringing strong analytical thinking, problem-solving, communication, and attention to detail.

TECHNICAL SKILLS

- Programming & Libraries : Python, Pandas, NumPy
- Database & Querying : SQL, MySQL
- Business Intelligence : Power BI, DAX, Power Query
- Microsoft Excel : Pivot Tables, Pivot Charts, Power Query, Power Pivot, Slicers, Data Cleaningh
- Data Analysis : Data Cleaning, Data Transformation, EDA
- Visualization : Matplotlib, Seaborn

SOFT SKILLS

Analytical Thinking| Problem Solving| Communication| Team Collaboration| Attention to Detail

EXPERIENCE

Data Analytics Intern | Luminar Technolab, Kochi, Kerala Jan 2026 – July 2026

- Completed hands-on training and internship in Python, Pandas, NumPy, SQL, Excel, and Power BI.
- Applied Python and its libraries for data analysis, preprocessing, data cleaning, and exploratory data analysis (EDA).
- Performed SQL-based data cleaning and analysis using queries, joins, aggregations, CTEs, and window functions.
- Used Excel for data cleaning, analysis, Pivot Tables, and data visualization.
- Developed interactive Power BI dashboards using Power Query, data modeling, DAX, and interactive visualizations.
- Worked on real-world datasets and analytics projects to identify trends, patterns, and insights.

Computer Science Teacher | Sree Sankara Vidyapeedam Senior Secondary School, Mattanur June 2018 – March 2022

- Delivered Computer Science and Information Technology lessons to CBSE students.
- Conducted practical sessions and guided students in academic projects.
- Prepared lesson plans, assignments, and examinations.
- Maintained academic records and monitored student performance.

PROJECTS

Healthcare Analytics | SQL & Power BI

Tools: MySQL, SQL, Power BI, Power Query, DAX

- Cleaned and prepared healthcare data using SQL, including NULL handling and date conversion.
- Performed SQL analysis using filtering, grouping, aggregate functions, CTEs, Views, RANK/DENSE_RANK, and Stored Procedures.
- Imported the analyzed SQL data into Power BI and performed further transformation using Power Query.
- Designed a Star Schema data model and created DAX measures for healthcare KPIs.
- Built a 4-page interactive Power BI dashboard covering patient & clinical, financial & insurance, hospital, and doctor analysis.

Electric Vehicle Adoption Analysis in India | Power BI

Tools: Power BI |Power Query | DAX |Excel

- Developed an interactive Power BI dashboard using 96K+ EV records to analyze EV adoption trends across India.
- Performed data cleaning, modeling, and DAX-based calculations.
- Analyzed state-wise sales, vehicle categories, and growth trends using KPI-driven visualizations.
- Created KPI-driven reports and interactive visualizations to communicate analytical insights.

Retail Business Analytics Dashboard | Excel & Power BI

Tools :Excel | Power Query | Power BI

- Cleaned and transformed retail data using Excel and Power Query for analysis.
- Built a 3-page interactive Power BI dashboard covering Sales, Profit, and Customer Demographics.
- Created DAX measures for Total Sales, Total Profit, YoY Growth, and Average Sales/Profit per Order.
- Designed KPI cards, bar charts, donut charts, trend analysis, and slicers.

EDUCATION

M.Sc Computer Science, Kannur University (2015 – 2017)

Bachelor of Computer Applications (BCA), Kannur University (2012 – 2015)

CERTIFICATIONS

Python Data Analytics with Power BI **|** Luminar Technolab | 2026
